

The Dictatorship of Capital: Urban Redevelopment and the Democracy of the Have-Nots in Post-Authoritarian South Korea

April 24, 2019 12:00 - 1:30 PM
International Affairs Building 918

Hae Yeon Choo, Associate Professor of Sociology at the University of Toronto, examines the relationship between democratic citizenship, capitalist profit-making, and violence, focusing on an evictee protest against urban redevelopment in Yongsan, South Korea.
